Table of contents

- Pg.1 Earth Day, April Fools Day, and Tax Day
- Pg.2 Softball
- Pg. 3 school clubs and study tips
- Pg.4 comic and music review

Every year on April 22, Earth Day is celebrated. In this article I will elaborate why earth day is important and how Earth Day makes a difference in the world. Earth Day is important because it reminds people to think about humanity's values, the threats the planet faces and ways to help protect the environment. In 1990, Earth Day

April Fools' Day, sometimes called All Fools' Day, is one of the most light-hearted days of the year. Its origins are uncertain. Some see it as a celebration related to the turn of the seasons, while others believe it stems from the adoption of a new calendar. April Fools' Day is celebrated all around the world as a day filled with practical jokes and general silliness. You may want to be a little more cautious or skeptical on April 1, since family members, friends, neighbors, co-workers and even teachers may try to tickle your funny bone with a practical joke or a hoax of some kind.

April 15th Is Tax Day

There is no IRS deadline for over- due previous year tax returns, but in order to claim a tax refund for a certain year, you must file a tax return for that year within 3 years of the original due date. The regular tax return filing deadline is April 15. However, due to the Washington Tax Day is on the following Monday. On the other hand, past due taxes do not disappear. If you owe taxes for a previous tax year, the IRS may charge you late filing and late payment penalties plus interest on taxes owed.

BASEBALL LIFE

This game called baseball was played in Cooperstown, New York in the year of 1839 by a man name Banner Doubleday. Baseball was first played in the 18th century. It's sometimes called the National Pastime. The first baseball team was in 1869 which was the Cincinnati Reds. They were called this because they wore red socks. They are a member club of the national League Central division. They're world championships were in the year of 1990, 1976, 1975, 1940, and 1919. www.encylopedia.com

What's happening with JHS clubs?

The Beta Club is holding a crawfish fundraiser and pick up will be April 7, 2016.

The Beta Club's candy sale will began on April 11th.

The Yearbook Club will be holding meetings every Wednesday in April.

Study Skills

These are ways you can improve your studying skills so you can receive excellent grades in school and on test.

By: Isaiah Simmons

- 1) Always find a quiet place to study were no one is around.
- 2) Find a place where there are no distractions like a place where you can't look at television.
- 3) Find some music on your mobile device that can help you think. Like classical music.
- 4) Place all supplies that you will need right next to you while studying.
- 5) If you keep getting up to get your supplies you will be distracted or sidetracked. You'll never be able to get anything done.
- 6) Try to find some index cards so you can make flash cards; it is one of the best study methods.
- 7) Try not to procrastinate on studying. Remember if you procrastinate it will be your fault because you won't learn anything.

Music Review

www.googleimages.com/superwhy

Music Title: Work

Name of band or artist: Rihanna

Artist: Rihanna and Drake

How long have they been around, are they well known: Well, they are very well known and Rihanna was around since 2005 & Drake has been around since 2006.

Type of music: R&B

Explain the meaning of the music: The meaning of the song is basically just like "Man down" or another meaning as "No love allowed". This song really means something special, like describing your feelings.

Rate it: * * * * * (one star= terrible, four stars= great) I rate this song at 4 stars.

Will fans like it or be disappointed? The fans would love it.

Additional comments

This song has many interpretations and it also may help people who go through a phase called "LOVE".
